

# NEW Statewide Term Contract

**Effective Dates:** January 1, 2023 – December 31, 2027

## Traffic Control Devices - 4616A

The Division of Purchase & Contract has established a new statewide term contract to provide traffic control devices and accessories.

This is a mandatory contract for state agencies, departments, institutions, universities, and community colleges - unless exempted by North Carolina General Statute. Additionally, non-mandatory entities, including schools and local governments, that are allowed by North Carolina General Statute may use this contract.

### New Contract Highlights

This contract covers the state's normal requirements for traffic control devices and accessories in the following categories:

- CATEGORY A - SIGNS AND ACCESSORIES
- CATEGORY B - TRAILER PRODUCTS
- CATEGORY C - BARRICADES
- CATEGORY D - ATTENUATORS
- CATEGORY E - CONES AND ACCESSORIES
- CATEGORY F - DRUMS AND CHANNELIZERS
- CATEGORY G - WORK ZONE PRODUCTS & LIGHTING
- CATEGORY I - PAVEMENT MARKERS, PAINT AND TAPE
- CATEGORY J - SAFETY ACCESSORIES

Each vendor has a dedicated account manager to ensure agencies receive contract pricing regardless of the order channel (i.e., eProcurement, procurement card, phone, fax, or email).

The Division of Purchase & Contract is focused on establishing state term contracts that provide customers with goods and services at the best value.
