

3rd Party Field Evaluation Certification Services

	DESCRIPTION	Inspection Cost
1	Conductors for General Wiring	
2	Flexible Cords	
3	Wires and Cables for Special Applications	
4	Materials and Components for Special Applications	
5	Alarm Signal and Detecting System Components	
6	CATV and Radio Distribution System Components	
7	Communication System Components	
	cord and plug connected equipment	\$1,100.00
	Typehardwired or permanently connected equipment	\$1,250.00
8	Radio and Television Components	
9	Energy Management System Components and Controllers	
10	Sound Recording and Reproduction Equipment	
	cord and plug connected equipment	\$1,100.00
	hardwired or permanently connected equipment	\$1,250.00
11	Fixed Office Appliances and Business Equipment	
	cord and plug connected equipment	\$1,100.00
	hardwired or permanently connected equipment	\$1,250.00
12	Electrical Appliances	
	cord and plug connected equipment	\$1,300.00
	hardwired or permanently connected equipment	\$1,500.00
13	Electric Space Heating Equipment and Accessories	
	cord and plug connected equipment	\$1,300.00
	hardwired or permanently connected equipment	\$1,500.00
14	Air Conditioning Equipment and Accessories	
	cord and plug connected equipment	\$1,300.00
	hardwired or permanently connected equipment	\$1,500.00
15	Heat Pump Equipment and Accessories	
	cord and plug connected equipment	\$1,300.00
	hardwired or permanently connected equipment	\$1,500.00
16	Refrigeration Equipment and Accessories	
	cord and plug connected equipment	\$1,300.00
	hardwired or permanently connected equipment	\$1,500.00
17	Gas Fired Heating Equipment and Accessories	
18	Gas Fired Appliances	
	Not in scope of field labeling program	\$1,700.00
	Not in scope of field labeling program	\$2,000.00
19	Oil Fired Heating Equipment and Accessories	
20	Oil Fired Appliances	
21	Solid Fuel Heating Equipment	
22	Fans and Ventilators	
	cord and plug connected equipment	\$1,100.00
	hardwired or permanently connected equipment	\$1,250.00
23	Filtering Equipment	
	cord and plug connected equipment	\$1,100.00
	hardwired or permanently connected equipment	\$1,250.00
24	Duct Materials Including Dampers	
25	Chimneys and Vents	
26	Electrical Data Processing Equipment	
	cord and plug connected equipment	\$1,100.00
	hardwired or permanently connected equipment	\$1,250.00
27	Medical, Dental, and X-Ray Equipment	
	cord and plug connected equipment	\$1,700.00
	hardwired or permanently connected equipment	\$2,000.00
28	Laboratory Equipment, Electrical Measuring, and Testing Equipment	
	cord and plug connected equipment	\$1,300.00
	hardwired or permanently connected equipment	\$1,500.00
29	Food Preparation Machines	
	Not in scope of field labeling program	\$1,300.00
	Not in scope of field labeling program	\$1,500.00

STC 961E
3rd Party Field Evaluation Certification Services

DESCRIPTION	Inspection Cost
30 Swimming Pool and Spa Equipment	
Not in scope of field labeling program	\$1,300.00
Not in scope of field labeling program	\$1,500.00
31 Miscellaneous Fixed Equipment - Amusement Machines, Animal Care, Appliances Battery Chargers, Cleaning Machines, etc.	
32 Fire Extinguishing Equipment	
33 Circuit Breakers	
34 Fuses	
35 Wiring Devices, Attachment Plugs and Toggle Switches	
36 Switches and Switching Devices - Other than Toggle	
37 Panelboards	
Previously UL or NRTL listed unit that has not been modified	\$1,300.00
38 Switchboards	
Previously UL or NRTL listed unit that has not been modified	\$1,300.00
39 Transformers	
40 Electrical Signs and Accessories	
cord and plug connected equipment	\$1,100.00
hardwired or permanently connected equipment	\$1,250.00
41 Ground-Fault Circuit Interrupters	
42 Ground-Fault Sensing and Relaying Equipment	
43 Industrial Control Equipment - Motor Controllers, Industrial Control Panels, Motor Control Centers, Motorized Valves, Solenoids, etc.	
cord and plug connected equipment	\$1,300.00
hardwired or permanently connected equipment	\$1,500.00
44 Transient Voltage Surge Suppressors and Filters	
45 Lightning Protection System Components and Lightning Protection Devices	
46 Metering Enclosures and Meter Sockets	
47 Emergency Lighting and Power Equipment System Components	
cord and plug connected equipment	\$1,100.00
hardwired or permanently connected equipment	\$1,250.00
48 Lighting Fixtures, Lamp Holders, and Accessories	
cord and plug connected equipment	\$1,100.00
hardwired or permanently connected equipment	\$1,250.00
49 Auxiliary Gutters, Junction, Pull and Outlet Boxes, and Cabinets and Cutout Boxes	
50 Electrical Equipment for Hazardous Locations	
cord and plug connected equipment	\$2,100.00
hardwired or permanently connected equipment	\$2,500.00
51 Grounding and Bonding Equipment	
52 Wire Connectors, Lugs, and Terminal Fittings	
53 Insulating Tape and Closures
