

# NEW Statewide Term Contract

Effective Dates: May 10, 2021 – May 9, 2023

## Fleet Vehicles (Passenger, Truck, Van, SUV and Law Enforcement) – 070A

The Division of Purchase & Contract has established a new Statewide Term Contract to provide vehicles (passenger, truck, van, SUV, and law enforcement).

This is a mandatory contract for state agencies, departments, institutions, universities, and community colleges - unless exempted by North Carolina General Statute. Additionally, non-mandatory entities, including schools and local government, that are allowed by general statute may use this contract.

For award of specific items to vendors, see [PRICING INFORMATION](#).

### New Contract Highlights

The Fleet Vehicle contract offers a wide range of vehicles from multiple manufacturers, as well as related OEM options and aftermarket components. Pricing is based on a discount off the Manufacturer's Suggested Retail Price (MSRP).

Delivery to the ordering agency is included in the unit price. Estimated order to delivery time is 90 – 120 days. Delivery schedules are subject to change based on factory production schedules and product availability. Using agencies are encouraged to stay in communication with the dealer regarding estimated delivery and issues that may arise that would cause a delay.

Each awarded vendor has a dedicated account representative for placement of orders to ensure that agencies receive the utmost level of customer service.

Some 2022 models will be added to the contract after pricing becomes available.
