

# NEW Statewide Term Contract

Effective Dates: January 23, 2020 – January 22, 2023

## Lathe & Metalworking Machines – 545A

The Division of Purchase & Contract has established a new Statewide Term Contract to provide various types of lathe and metalworking machines.

This is a mandatory Statewide Term Contract for state agencies, departments, institutions, universities and community colleges - unless exempted by North Carolina General Statute. Additionally, non-mandatory entities, including schools and local governments, that are allowed by general statute may use this contract.

### New Contract Highlights

This contract covers various types of lathe machines, metalworking machines, and parts/accessories.

Pricing is based on a percentage discount off MSRP depending on the category of machine being purchased, the vendor, and the manufacturer. Installation of items requiring custom or complex fitting or assembly efforts due to the nature of the item may be billed separately.

The vendor has a dedicated account representative to ensure agencies receive the utmost level of customer service and efficient placement of orders.
