

NEW Statewide Term Contract

Effective Dates: June 10, 2021 - June 9, 2024

Floor Covering & Installation Services– 360A

The Division of Purchase & Contract has established a new Statewide Term Contract to provide floor covering and installation services.

This is a mandatory Statewide Term Contract for state agencies, departments, institutions, universities, and community colleges - unless exempted by North Carolina General Statute. Additionally, non-mandatory entities, including schools and local government, that are allowed by general statute may use this contract.

New Contract Highlights

This contract offers a wide range of new, unused, flooring materials from the product lines of multiple manufacturers. Pricing is based on a discount off the Manufacturer's Suggested Retail Price (MSRP).

Standard delivery shall be made to the location specified by the buyer in the purchase order and made ready for use at any location within a state customer's occupied building. Ready for use means the product is unpacked, assembled, inspected and free of patent defects or damage. Vendors must anticipate and make necessary arrangements for access to the delivery location, considering the presence and availability of elevators, steps, parking, and hours of operation. The estimated order to delivery/installation time is approximately 2 – 8 weeks.

Each awarded manufacturer has a dedicated account representative for placement of orders to ensure that agencies receive the utmost level of customer service.

There is one (1) one-year renewal option available for each contracted manufacturer.
